ANNUAL APPLICATION FOR MEMBERSHIP RENEWAL

Due to increased costs, mainly beyond our control, the annual subscription will increase by £1 to £28 from 1st January. The joining fee will remain the same at £10.00.

In accordance with Blackwell Club rules. The following procedure will now apply.

Applications to renew your annual club membership for 2025 are to be paid between 1st and 31st January 2025.

Any applications received after 31st January 2025, but before 28th February 2025 will incur the £10.00 joining fee. If a member feels that there are extenuating circumstances as to why their application could not be submitted within the required period, the committee will consider the circumstances and the joining fee may be reimbursed. Applications in respect of this should be forwarded, in writing to the club secretary.

After 28th February 2025, all applications to renew membership will be considered new applications, and the joining fee will apply.

To apply there are no forms to fill in, simply pay by your preferred method and your application for renewal will automatically be considered by the committee. However, in renewing your membership you agree to adhere to the Club Members Code of Conduct and the Club Rules, copies of which can be found on our website and on the clubroom notice boards.

The Committee reserve the right to refuse to renew a membership. In the unlikely event of your application being declined, any monies paid will be refunded in full.

Many Thanks,

Blackwell Club Committee

1st November 2024.
